

19th-century Bronze Jewelry Box, "bird On Its Nest"

160 EUR

Period : 19th century

Condition : Très bon état

Diameter : 8cm

Height : 3cm

Description

A charming vintage collector's box (jewelry box, pill box, or lidded trinket box) with a highly realistic animal design. The removable lid features a bird carved in relief, carefully brooding in its nest. The base of the box mimics the woven texture of twigs, creating a perfect continuity with the motif on top when the box is closed. Late 19th century. Free shipping within France.
