Description

This elegant, contemporary solid silver ring captivates with its sculptural design featuring three intertwined bands. Its fluid and harmonious design evokes movement and balance, while making a bold statement on the finger. The generous proportions and soft curves capture the light from every angle, highlighting the natural luster of the polished silver. Both modern and timeless, this ring pairs equally well with casual outfits and more sophisticated looks. Its minimalist aesthetic is reminiscent of certain Scandinavian design pieces and modernist jewelry from the second half of the 20th century. A piece with character, comfortable for everyday wear and ideal for lovers of contemporary designs. Solid silver Weight: 15.82 g Ring size: 62 Motif: three intertwined
