

Pair Of Marble Vases (napoleon III Period)

800 EUR

Period : 19th century

Condition : Bon état

Material : Marble

Height : 35.5 cm

Description

A beautiful pair of small vases or candlesticks, in the "Medici" style, made of white Carrara marble from the Napoleon III period, featuring natural, subtle gray veining typical of the 19th century. Each vase consists of three distinct elements: a pedestal base, an intermediate cup, and the vase body, shaped like a pedestal with a curved shoulder. In good overall condition, with a patina from use; there are very slight chips on the corners of the bases, which need cleaning. Dimensions: height 35.5 cm width 21 cm Weight 16.5 kg Careful, secure, and tracked shipping; the item will be shipped in two separate boxes. For destinations outside Europe, please contact me.
