Description

Set of 3 modular tripod candleholders in chrome-plated metal by BMF. They are stackable and can be assembled in various ways to create custom arrangements. In good condition, with a few slight signs of wear.In the early 1970s, Bayerische Metallwarenfabrik (BMF) decided to compete with Nagel by releasing its own modular tripod candleholders. Inspired by Nagel's successful models, the design was nonetheless completely different. It was more understated, and the lines were more fluid.LEARN MORE
