

Large Round Table Made Of Polished Granite, Seats 10

4 700 EUR

Period : 20th century

Condition : Bon état

Material : Stone

Diameter : 161

Height : 73

Description

Large round table seating 10, crafted from polished gray granite, featuring a round top resting on four triangular legs adorned with fine fluting. Contemporary French craftsmanship.

This high-quality designer table can serve as a dining table or a conference table. Its clean lines and sculptural, geometric forms are reminiscent of the modernist tables of the 1960s.**LEARN MORE**
