Description

We are delighted to offer this exquisite antique Art Nouveau garnet pendant necklace made c.1900.The pendant is made in 9ct antique gold and presents a wonderful antique rosy coloured backing.Featuring a naturalistic and lavalier design, the pendant comes to life upon wearing with the movement of the freely moving parts in full effect.What is particularly delightful is the colour and hue of the garnets. They have such a vivid and bright colour owing to its folied backing and the stones are well matched. Depending on the lighting, the garnets transition from a mystical dark red to a much brighter red with hints of magenta and pink fire.Furthermore, the intricacy and superb craftsmanship is evident in the very fine mounts and wirework which is not only a testament to the goldsmith's skill but
