

Greek Style Marble Pedestal

200 EUR

Signature : Grand tour

Period : 19th century

Condition : Etat d'usage

Material : Marble

Diameter : 10cm au plus large

Height : 9cm

Description

A charming pedestal composed of five pieces of marble. Late 19th-century work. The Grand Tour, spelled the same way in English, originally referred to a long journey through Europe undertaken by young men and, more rarely, by young women from the highest classes of European society (British, German, but also French, Dutch, Polish, Scandinavian, and later Russian, beginning in the 1760s) and American since the second half of the 18th century.
