

Walnut Chest With A Baroque Back Panel, Regional Craftsmanship, 18th-19th Centuries

1 250 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Description

Provincial-style Louis XIV walnut chest, composed of antique pieces. Walnut chest with a drop-down lid, featuring a remarkable carved and sculpted back panel decorated with volutes and shells in the Baroque tradition. The lock is preserved with its original key. The hardware is wrought iron. The piece as a whole has a highly decorative character. The back panel appears to be a reused antique element, likely from the 18th century, mounted on a chest from a later period. It has a beautiful patina and a charming regional character. Dimensions: H. 128 cm - W. 104.5 cm - D. 40 cm
