Description

Large stylized antelope in patinated bronze - Anonymous contemporary workA stunning sculpture depicting an elegant, stylized antelope in patinated bronze. This anonymous contemporary piece captivates with the purity of its lines, the slenderness of its silhouette, and the quality of its nuanced brown patina. A decorative work with a strong presence that immediately catches the eye.Acquired from a property in the south of France, this sculpture will fit perfectly into both contemporary and classic interiors. It can be placed on a coffee table, a pedestal, a console table, or in an entryway to highlight its harmonious forms.Crafted entirely of bronze, it can also be placed outdoors--by a pool, on a patio, or in a garden. Bronze is a noble material that is highly weather-resistant. Its patina will
