Description

Breguet-signed travel clock No. 3883 Identified in the Breguet archives via email from Emmanuel Breguet, to whom we extend our heartfelt thanks. It strikes the hours and half-hours on the hour with a repeater button and an alarm function on the back. It is adorned with three panels, including the dial featuring Limoges enamel. The gilding and silver plating are in very good condition with no signs of wear. The clock is in good working order. A matching double-ended key made of gilded brass, a replica of an original period key, will be provided
