

Curule-style Chair And Footstool In The Empire Style

980 EUR

Period : 20th century

Condition : Etat d'usage

Material : Painted wood

Description

Elegant curule-style armchair with saber-shaped front and rear legs, in the antique style, crafted by a period-style decorator, of high decorative quality, lacquered and upholstered in a gray flannel-like fabric. The seat is very comfortable, in the spirit of the chairs at Villa Kerylos.
