Description

An elegant ring crafted from 925 sterling silver and adorned with three white mother-of-pearl elements. Its geometric design, with its clean and balanced lines, evokes the modernist style of the second half of the 20th century. The contrast between the satin sheen of the silver and the soft iridescence of the mother-of-pearl lends the piece a discreet and timeless elegance. The setting features a slightly curved band composed of three mother-of-pearl panels separated by strips of polished silver. An easy-to-wear piece for everyday use, whether worn alone or paired with other silver jewelry. 925 sterling silver White mother-of-pearl Size: 58 925 hallmark Period: 20th century Very good overall condition
