Description

Set of 8 Japanese prints on crepe paper, likely dating from the period 1880-1900. Since I am not an expert on Japanese prints, the photos speak for themselves; there are creases and foxing. The prints are believed to be by Toyokuni III, Yoshitoshi Tsukioka, Utagawa Hiroshige II, and Shosai Ikkei. The dimensions are approximately 19.5 cm x 28 cm.
