### Description

Large sunburst mirror in the Chaty Vallauris style. Impressive sunburst mirror in gilded metal with its original patina, featuring an elegant, radiating design composed of numerous metal rods arranged around a central circular mirror. The center is adorned with a beautiful beveled mirror framed by a particularly decorative twisted frieze, lending the piece great elegance and refinement. The quality of craftsmanship, the balance of the composition, and the piece's striking decorative presence make it an iconic symbol of the 1950s and 1960s. This mirror will bring light and depth to any interior, whether in a living room, an entryway, or above a fireplace. Its understated and timeless design fits equally well in both classic and contemporary settings. The piece is of fine craftsmanship and is in very good
