

**Bruno Rainaldi (1952-2011) "ptolomeo" Bookcase, By Opinio Ciatti--designed In 2002**

590 EUR

Period : 20th century

Condition : Bon état

Material : Metal

Width : 35

Height : 160

Depth : 35

Description

Black-lacquered metal column with 11 shelves arranged alternately around a central post, resting on a square chrome-plated metal base. Height: 161 cm / 35 x 35 cm Vertical bookcase designed to store books, magazines, or comic books from top to bottom. The items gradually conceal the shelves, creating a graphic effect while remaining perfectly secure. Shows signs of use, including scratches, scuffs, and small chips in the paint, as visible in the photos.
