1 100 EUR

Period : 20th century

Condition : Etat d'usage

Material : Oak

Length : 45cm

Width : 45cm

Height : 82cm

Description

I am offering this charming little Art Nouveau-style rotating bookcase, dating from around 1900. It is made of oak, carved in places with floral motifs. The square top features marquetry. The piece is in good condition; two small interior slats are missing (not a major issue), and I should note two small chips in the marquetry on the top. Height: 82 cm Length / Width: 45 cm x 45 cm Please contact me for shipping within France and worldwide
