Description

A beautiful, large lantern with round blown-glass porthole (with small bubbles) that opens on a hinge, a flat, circular body resting on two rolled legs, and an interior designed for two candles, removable via a tin pull tab. On side: two vents; above them, a smoke vent violin-shaped design made of lace-like sheet metal, topped with a bell, and a large double handle for wall mounting or carrying. Back is missing; it was either a round glass panel or a silver-plated iron plate serving as a reflector.A famous light fixture!Dimensions: lamp:23 cm diameter, height 53 cm x 12 cm, weight: 1.3 kg. Good condition upon discovery: no flaws, just a little cleaning needed. Immediate purchase: payment accepted via credit card or PayPal. -- eclectic -- We are not experts, but we have been in this business for over 50
