Description

Rare Wedgwood Jasperware Commemorative Bowl - Heywood House - Made in England A charming commemorative jasperware porcelain bowl from the prestigious Wedgwood company, crafted in its iconic sky-blue hue. This elegant creation pays tribute to the famous Heywood House, depicted in fine white relief at the center of the design, accompanied by an inscription. The rim is delicately adorned with a garland of foliage in white bisque, inspired by the neoclassical repertoire so dear to Wedgwood. The refined contrast between the matte blue background and the pure white reliefs lends this piece all the elegance and charm that have earned the English manufacturer its international renown. Both a collector's item and a decorative piece, this bowl will appeal to lovers of English porcelain,
