Description

Rare Wedgwood Jasperware Commemorative Bowl - Map of Australia - Made in England An elegant commemorative jasperware porcelain bowl from the prestigious English manufacturer Wedgwood, crafted in its famous sky-blue hue. This piece features a white relief depiction of a map of Australia at its center, finely modeled using the iconic technique that has brought Wedgwood international renown. The rim is adorned with a delicate garland of foliage and berries in white bisque, inspired by the neoclassical repertoire developed by the manufacturer in the late 18th century. The harmonious contrast between the matte blue background and the immaculate white reliefs lends the piece great decorative elegance. This commemorative bowl showcases Wedgwood's
