Description

THE WORKOur painting is typical and characteristic of the style of Pieter Jochums Lofvers, a Dutch artist born and active in Groningen during the 18th century. Lofvers' paintings are rare on the market; only sixteen have appeared in the last thirty years or so. Our painting is most closely comparable to: Warships and Merchant Vessels Off the Coast, signed, panel, 26.7 x 35.7 cm, AAG Amsterdam, January 26, 2026, lot 37; "Warships and Merchant Vessels Off a Coast," signed, panel, 26.7x 35.5 cm, Christie's London, November 24, 2010, lot 3.
