Description

A pair of carved and polychrome wooden sculptures depicting two young, elegant standing figures, dressed in short, belted tunics and cloaks with ample folds. These sculptures were likely intended for a religious setting and may represent young saints, wingless angels, or pages as part of a larger sculptural ensemble. In good overall condition with signs of wear, missing parts (fingers and arm), and some retouching of the polychrome paint (very fragile). Traces of old woodworm damage. 17th century. Height: 82 and 81 cm. Approx. 32 x 31. 19.600 kg. ***** Free shipping within France ***** Professional packaging; packages shipped with tracking and insurance. Transportation of furniture and large items handled by professionals specializing in the transport of antiques.
