Description

This Art Deco illustrator has captured moments of Parisian life with his well-known talent... However, the titles of the illustrations don't quite match the atmosphere of his drawings... Why is the young lady: ... in high school, ... at a reception, ... as a newlywed, ... on her honeymoon, ... with the children, ... in the garden... Why is she looking away? I figured it out when I opened one of the frames... on the back, there are advertising verses for ALGOCRATINE: an old painkiller. Now I understand better.
