### Description

A refined and elegant agate and gilded metal desk seal, complete with its original period case, dating from the 19th century. The handle is beautifully carved from a single block of natural agate. The mount and die are crafted from finely worked gilded metal, featuring small geometric and floral decorations that attest to the high quality of craftsmanship of the era. The item is presented in its original contoured case, covered externally in blue fabric and lined on the inside. Condition as shown in the photos. I'm also on Instagram "Mercantedarteroma"
