Description

Sculptures depicting a couple in the classical style from the Napoleon III era on a base of blackened pear wood. Superb sculptures, beautifully crafted with lovely drapery and very fine hair texture. Very realistic set. The woman holds a spinning top in her hand and the man holds a cup-and-ball game. Sculptures made of regule. Very good overall condition (only a tiny bit of a finger is missing from the woman's left hand, which is almost invisible). H: 35.2 cm. Base: 24.5 x 14.7 cm.
