

## Vintage Solitaire Diamond Ring With Calibrated Emeralds

25 000 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

An Art Deco ring featuring a flat yellow gold band adorned all the way around with calibrated emeralds set in rail settings. In the center, a large old-cut brilliant-cut diamond is held in place by 8 prongs. The setting is delicately openworked with small motifs stylizing leaves, and the band is a round gold wire. Period: 20th century  
Main materials: white gold and yellow gold, 750 parts per thousand, 18 karats. Total diamond weight: approximately 2.15 carats. Estimated quality: G.VVS. Diameter of the head: approximately 13.2 mm; thickness: approximately 5.5 mm; width of the band at the base: approximately 1.5 mm. Net weight: approximately 4.6 g. Antique jewelry--crafted in the 1920s. Our opinion: The vivid green emeralds beautifully highlight the whiteness of the diamond, all set against the flat,
