Description

Decorative egg made of natural mother-of-pearl, set in a chiseled frame with a beaded design. The mother-of-pearl displays beautiful iridescent sheens in shades of pink, blue, and green. High-quality craftsmanship, likely from the second half of the 19th century. This object may have served as a small display box, a miniature jewelry box, or simply as an ornament. It has a very beautiful decorative effect and appears to be in excellent condition."
