Description

The Felt Chair, designed by Marc Newson in 1993 for Cappellini, is an iconic example of contemporary design that combines aesthetics and functionality. Made of fiberglass, the chair is painted a vibrant yellow that draws attention and adds a pop of color to any space. The sculptural design and flowing lines make this chair a work of art as well as a functional piece of furniture.

Ideal for modern spaces, the Felt Chair fits seamlessly into both residential and commercial settings, offering a comfortable seating area and a distinctive design element. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
