Description

18 large antique knives, solid silver handles, Minerve guarantee. Steel blades. High-quality decoration on the handles featuring fluting, laurel branches, foliage, and initials engraved in a recessed area... The silversmith's mark is difficult to read. Possibly the initials A or D and I with a goose or duck in the center. The fastenings are secure.The steel blades are marked "Servant Bijoutier Orfèvre Bordeaux," as is the original case...A highly reputable Bordeaux-based company, a guarantee of quality.Everything is in good condition, though there are a few slight signs of wear here and there, typical for a piece from the late 19th century.
