Description

A lovely, highly stylized Art Deco vase by Schneider. In the purest Art Deco style, this beautiful vase is decorated with acid-etched lines and blue circular motifs. Very geometric, very modern--it looks as if it were made today. It features a lovely straight shape on a small foot; the glass is gradient blue at the base and clear toward the top. Very aesthetically pleasing--I'll let you be the judge...31.5 cm tall, in perfect condition, double-signed "Charder" and "Le verre français" on the base, circa 1925. A superb Art Deco vase that complements any interior, whether modern or traditional!
