Description

Small vintage Scandinavian teak sideboard from the 1960s. Its sleek, timeless design features clean lines, recessed handles--with the left door sliding under the right handles--and tapered legs typical of Scandinavian furniture from that era. A sliding door on the left side provides access to storage space, along with five drawers of varying sizes. Ideal as a sideboard in a dining room, a TV stand in a living room, or a storage unit in an office. In very good vintage condition with slight signs of wear consistent with its age and use, which do not affect its appearance or sturdiness. Beautiful craftsmanship Length 149 cm. / Width 44 cm /. Height 80 cm Economy shipping: 30 euros (this price applies to Paris or the Île-de-France region; we'll deliver it in person) Shipping to other regions: Contact us for
