

## Art Nouveau Reed Brooch In 18 Karat Gold And Platinum

2 200 EUR

Period : 20th century

Condition : Bon état

Material : Gold

### Description

Art Nouveau reed brooch in 18 karat gold and platinum. Art Nouveau brooch featuring a swirling reed motif. The tips of the reeds are set with diamonds on platinum. The center of the piece is adorned with a 0.15 ct old-cut diamond drop. Lake-themed motifs were highly appreciated during the Art Nouveau period, whether fauna or flora. One could find dragonflies, aquatic plants, and fish motifs, which fueled the imagination of jewelers fond of naturalism. Art Nouveau floral brooch, circa 1900, France. Eagle's head hallmark and maker's mark. Dimensions: 2.6 cm x 2.6 cm Estimated weight of the diamonds: 0.25 ct Condition: old solder repair on the back, a missing element at the top, slight oxidation Weight: 7.7 g
