Description

A painting of high artistic quality featuring an original subject: a young child removing a thorn from under his foot. Oil on canvas with a signature that's hard to decipher! It's likely the work of a skilled artist, given the painting's polished finish. The painter has sensitively captured the child's expression through a palette of subdued, harmonious tones, enhanced by the delicate touch of the pink garment. The painting as a whole exudes a great deal of poetry and realism.
