Description

An elegant antique frame made of carved wood and gilded with gold leaf, richly decorated with flowers, foliage, and plant motifs in relief. The side and top rails feature a design of finely chiseled bouquets and garlands, characteristic of French craftsmanship from the second half of the 17th century. The fine quality of the carving, combined with antique gold leaf gilding that retains its original patina, gives this frame a particularly sought-after decorative character. Its harmonious proportions make it equally suitable for displaying an antique painting or for use as a standalone decorative piece. The gilding shows the wear and minor imperfections typical of an object from this period, contributing to its authenticity and charm. This model would be perfectly suited for a painting from the French,
