### Description

A small Biedermeier piece of furniture with undeniable charm, featuring half-columns, a pedimented cornice, paneled doors, and block legs. Crafted from solid cherry wood with a buffed varnish finish, it features an interior fitted with three shelves. Its shallow depth makes it ideal for an entryway or dining room: a true feast for the eyes. Unfortunately, it is constructed as a single unit; only the shelves and the drawer in the base are removable, which means the piece must be delivered as a single unit. Solid cherry wood. Paneled doors. One drawer in the lower section. 3 shelves. Buff-finished. No. 2826 Height: 185 cm | Width: 108 cm | 116 cm | Depth: 53 cm
