1 300 EUR

Signature : Baccarat

Period : 20th century

Description

54-piece Baccarat crystal glassware set. Provenance: a Baccarat wedding gift from 1935. Note: - A period case made of moiré moleskin and velvet, containing 12 knife holders from the same set as the glasses.- The design is very similar to the Chantilly model by Saint Louis; this is not surprising given that, at the time, Baccarat and Saint Louis produced crystal glassware with very similar designs (the Caton model, for example).- The knife holder case is quite rare.- The set consists of 6 champagne flutes, 12 knife holders, 12 water glasses, 12 red wine glasses, 12 white wine glasses, a carafe and its original stopper, and a water jug.
