

## Exotic Hardwood Statuette -

175 EUR

Period : 20th century

Condition : Très bon état

Material : Solid wood

Height : 20

### Description

This elegant sculpture, carved from very dense exotic wood (700 grams), is a testament to meticulous craftsmanship, depicting a kneeling figure holding a vessel. The material, which releases a natural fragrance when rubbed, attests to the quality of the wood used. Signed by J. Rallifon, this piece of folk art with a deep patina makes a beautiful decorative object for any lover of arts and crafts. Height: 20 cm - Weight: 700 gr. Payment Methods: Credit Card, Bank Transfer, or PayPal. Carefully packaged and tracked shipping within 24-48 hours. Pickup available in the Paris region.
