

## 17th-century Cantor's Stool

440 EUR

Period : 17th century

Condition : Très bon état

Material : Oak

Width : 31,5

Height : 68

Depth : 26

### Description

Choir stool made of oak and cherry wood. It rests on a base that flares slightly toward the bottom, with beveled sides connected by crossbars (the small knobs, which were originally present, are now completely worn away). The seat has a slight curve at the front. Provincial craftsmanship from the 17th century. Ideal for displaying a statue or, of course, as a stool. Beautiful waxed patina.
