Description

A beautiful oil-on-canvas painting depicting a group of jazz musicians in the midst of a performance. At the center of the composition, a saxophonist immediately catches the eye, surrounded by a double bass, a trumpet, a drum set, and a guitar, in the hushed atmosphere of a jazz club. The deep tones of red, black, and brown create a warm and intimate atmosphere, while touches of light highlight the instruments and bring the scene to life. The semi-expressionist style conveys a great deal of movement and emotion, evoking the energy and improvisation characteristic of jazz. Work signed "Duraffourd" in the lower right corner, second half of the 20th century. In very good condition, cleaned. Dimensions: 81 x 65 cm This painting is a superb decorative piece for any lover of music
