Description

We are pleased to present this elegant antique Italian coffee table dating from the early 19th century. It features the stylistic and structural characteristics typical of the Directoire period.Crafted from fine walnut, this coffee table is very simple and linear, free of excessive ornamentation. Its design is characterized by clean yet elegant lines, with a slender frame supported by four thin yet sturdy, sabre-shaped legs. Functionally, it features a practical drawer and a shelf below. The beautiful grain of the walnut creates a distinctive visual accent.Thanks to its compact size and simple yet refined lines, this antique side table fits perfectly into any setting: as a decorative piece in an entryway, or as a side table or coffee table in a classic living room.It is in excellent condition with minimal
