A beautiful and rare medal created by René Lalique in 1922 to mark the 100th anniversary of the birth of Louis Pasteur, who was born in 1822. This crystal medal featuring a portrait of Louis Pasteur is a truly beautiful collector's item, with exquisite finesse (it almost looks like it was made using the lost-wax casting technique--for connoisseurs...) and expression; it has a slight patina. It comes in its original case with display stand. In perfect condition, 10 cm in diameter, signed "R.LALIQUE," and dated 1922. A rare collector's item.
