marquetry
Napoleon III period
Perfect
condition
opening on 1 door .This furniture is
amazing by larges cariatids in gilded
bronzes.Spectacular busts of woman
Beautiful
marquetry work decorated with bird, foliage,
flowers and fruits.Headband decorated in Pietra
Dura with a wide frieze (restored)
Top is a thick
Black wood,in perfect condition.Original
lock.Interior with 2 shelves in red velvet,4 corner
with green marble.Sea green marble, or Genoa
green marble, is a type of serpentine-based
marble, very soft, with a rather dark green color,
speckled with various colors, which owes its
name to the shapes of its veins reminiscent of sea
waves. It is mainly quarried in the northern region
