Description

A striking Art Deco-style daisy ring in 750/°° white gold (18 KT, owl hallmark). It is adorned at its center with a faceted oval natural sapphire of a beautiful deep blue, set in a closed setting within a circle of particularly brilliant and generously sized old-cut diamonds. The design is accentuated by an elegant scalloped border of calibrated sapphires forming a delicate blue border that highlights the model's characteristic floral motif. The setting, remarkably flat and full-coverage, perfectly captures the aesthetic of grand Art Deco jewelry while offering excellent comfort. The openwork detailing visible beneath the head attests to the meticulous craftsmanship. Thanks to their clarity and brilliant white color, the old-cut diamonds exhibit remarkable fire and beautiful play of light,
