### Description

The decoration features acanthus leaves, scrollwork, stylized tablets, interlacing patterns, bases, and a cartouche; all framed by brass moldings. These same bands can be seen hugging the curved legs and the apron. The quarter-round edges harmonize the angles of the legs and the scalloped tabletop. The recessed feet highlight the craftsmanship of this fine piece. The interior cabinet and the lower drawer, made of rosewood, are original and removable. The quality is evident in the four decorative sides. Delivery available (not included in the price).
