

Armchair, Napoleon III Period

180 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Diameter : 47

Height : 76

Description

A charming little low chair, made of black-lacquered wood, molded and carved, decorated with palmettes and rosettes and engraved with scrollwork, featuring a trapezoidal backrest with scrollwork and a circular seat, resting on two tapered, fluted front legs, with slightly curved rear legs (minor imperfections--seat height: approximately 36 cm). It is upholstered with its original tapestry featuring a polychrome floral design and chimeras on a black background (signs of wear). Napoleon III period. Good condition.
