Description

An exceptional lot of antique elm floorboards, with exceptional widths ranging from 35 to 54 cm. This was a floor laid as a carpet, with a border around the wide, long planks (50/270), supplemented by pieces to create edging--which were also extra-wide. Total area: 25.5 m² with 17.5 m of large planks. Worldwide shipping available. The two colors shown in the photos are simply the planks as they were when removed and the planks themselves. Once brushed, the patina is quite incredible. The entire lot will be brushed before sale.
