

Silver-plated Serving Set With A Lattice Pattern And Scalloped Edges

750 EUR

Period : 20th century

Condition : Bon état

Material : Silver metal

Description

A beautiful silver-plated serving set comprising several serving trays of various sizes, a footed bowl with handles, a gravy boat on its stand, a covered vegetable dish, and a table scoop and brush set. The set features elegant, flowing shapes with scalloped contours, accentuated by a decorative molding. Inspired by 18th-century French designs, these pieces captivate with their understated ornamentation and harmonious lines. The lid of the vegetable dish is adorned with a handle in the shape of a stylized floral button, while the footed bowl adds an extra touch of refinement to this tableware set. 20th-century piece. In good condition with slight signs of wear. Oval platter: 61 x 31.5 cm; 41 x 28 cm; 50.5 x 35 cm; Round platter: Diameter 35 cm Diameter 35 cm Gravy boat: 25 x 16.5 x height 10 cm Footed
