### Description

Coffee table designed by R. Dubarry, created in the 1970s and notable for its decorative metalwork. The entire structure is clad in hand-crafted metal sheets, adorned with an intricate relief pattern of stylized leaves, creating a richly textured surface with a strong sculptural presence. The design reflects the artistic spirit of the 1970s, combining organic forms with refined craftsmanship. The meticulously crafted metal panels create a dynamic interplay of light and shadow on the surface, while the leaf motifs evoke the natural world in a sophisticated and highly decorative manner. Designed by R. Dubarry, this table demonstrates great artistic mastery and exceptional attention to detail. Its generous square format makes it an ideal centerpiece for a living room, gallery, luxurious

interior, or design collection. The combination of sculptural metalwork and functional design results in a piece that works equally well as furniture or decorative art. The bold proportions and distinctive artisanal character of this table make it a remarkable example of late 20th-century European design. A signed, rare, and highly decorative piece that combines art, craftsmanship, and architectural presence. Designer: R.
