

## Imaris Large Dish With 19th-century Design 6

360 EUR

Period : 19th century

Condition : Très bon état

Diameter : 31,5 cm

### Description

A large, stunning porcelain dish with a Japanese Imaris design, featuring a round, multi-lobed shape. It is decorated in the center with a vase filled with flowers, surrounded by broad scrolls of stylized flowers and foliage, all set against a cobalt blue background with iron-red glazes and gold highlights. On the reverse side, there are bouquets of blue flowers arranged in a circle around the entire rim. A high-quality piece in perfect original condition; the colors are very vivid and luminous. A collector's item and decorative piece.
