Description

Set of six "Club" chairs in bronze by Franck Evennou, published by Galerie Avant-Scène, circa 2000. Each chair features a textured, patinated bronze frame resting on four curved, cleat-style legs, with a slightly slanted backrest adorned with an openwork geometric pattern characteristic of the designer's work. The seats are upholstered in the original red velvet, offering an elegant contrast to the warm patina of the bronze. All six chairs are monogrammed "FE " on the left rear leg. Overall in very good condition, with some normal wear on the patina and slight traces of verdigris. Dimensions: Height: 91 cm, Width: 47 cm, Depth: 47 cm. On view in Issy-les-Moulineaux. Additional photos available upon request. Shipping within France and internationally available upon request. Franck
