Fang Byeri Statue, Guardian Of The Ngumba Reliquary, Southern Cameroon

14 000 EUR

Period : 20th century

Condition : Etat d'usage

Description

Rare Fang statue from the Ngumba people of southern Cameroon, 54 cm tall and 60 cm with its beautiful gallery-style base. Ngumba statues are notable for their realistic style, very fine carving, a wax-like patina, and beautiful copper ornamentation that enhances their beauty. Here are several examples at the Museum of the Five Continents in Munich, which houses the finest collection =>

d'Afrique Noire. Les Plastiques du Bassin de l'Ogooué , Arnouville, 1979. Louis Perrois, La statuaire fang, 1972 .? Marseille, Réunion des Musées Nationaux 1992. catalogue de l'exposition Fang Byeri de la Vieille Charité. I buy only French collections from former expatriates, collector estates, and the like since nothing has been available in Africa for a long time now. Please feel free to contact me to negotiate the price; that is part of the tradition in the antiques trade, and I have no problem with it at all.
